MINI MAX by CLEANSE TEC

1/2 storage space

ultra concentrate formula

Twice The Coverage At Half The Space

Ideal for restaurants, hotels, hospitals and more. The Cleanse Tec Mini Max Dispenser system is engineered to withstand the toughest environments in order to provide your facility with fast and easy sanitation. In addition to the high-impact polymer construction, this unit features an attractive, modern design with simple one-hand push operation.

A convenient sight window is shaped for effortless monitoring of the solution's fill level. Our Mini Max Dispenser System is also locked and free-pour proof. Which will reduce product waste and save you plenty of money.

Twice The Cleaning Power

It's true! One bottle of Mini Max solution equals 2x and more cleaning power compared to leading brand cleaning products. Not only is our cleaning formula more potent, but less bottles equals less storage. Less storage is always better for your business.

"One 64oz Mini Max Jug Equals Two Bottles Of Leading Brand Cleaners."
